GALLUP & STRIBLING VISITOR CENTER

VISIT AMERICA'S LARGEST ORCHID FARM

Designer Orchids at Farm-Direct Prices

Open Daily at 3450 Via Real in Carpinteria, California

COME TO GALLUP & STRIBLING'S ORCHID FARM

For over 40 years, Gallup & Stribling has been breeding and growing **premium quality orchids** at a 48-acre farm on the central California Coast.

Now, through our **Visitor Center** (*shown below*), we're making our award winning orchids available to the public at **incredibly low, farm-direct prices**. When you come to our Visitor Center you'll see **hundreds of beautiful flowering and in-spike orchids** that you can purchase and take home. An **expert nurseryman** is **always on hand** to answer questions, help with cultures, and offer growing advice.

At our Visitor Center you'll find

- Hundreds of varieties of **designer quality, flowering or in-spike hybrid orchids** at **low farm-direct prices**.
- Beautiful **Cymbidiums** and **Phalaenopsis** Orchids bred at our farm, along with **Odontoglossum Intergenerics** and **other varieties** from top breeders around the world.
- A variety of **orchid cultures, pots, fertilizers, and growing aids**.
- **Expert advice and detailed growing information** to help you **grow beautiful orchids**.

***Gallup & Stribling's Visitor Center
is open daily throughout the year***
