Just 2 1/2 hours north of Los Angeles, Solvang lies in the heart of California's Central Coast.

Whether you are traveling down the coast or up from the south, take U.S. 101 to Highway 246 and turn east to get to Solvang.

An alternative route from Santa Barbara is scenic Highway 154 through the San Marcos Pass to the Solvang turn-off at Highway 246.

From any approach, when you see windmills, you know you're in Solvang!
