### **Romantic Sunset - Cocktail Cruise**

*Thinking romance? a special evening? The perfect location is... The Pacific Ocean viewing the sunset aboard a 41ft. sailing yacht. Our trip is spectacular and includes the twilight's crimsons colors. In fact, we will stay out until nightfall, awaiting the early twinkling of the coastal city lights. Imagine a city illuminated against the dark tall mountains, a starlit evening, on a sailing yacht!*  
**The above cruises are offered every day. Cost \$35. per person**

### **Private Charters for Special Occasions**

*Imagine the entire yacht, a private Captain and a 1st mate to serve you Dom Perignon or... and cater to your every desire!*  
*Or throw a party for your best friends (up to 18). When nothing but the best will do...hire the Sunset Kidd for your private dreams!*  
**only \$260 an hr. -1.5 hr. min.**

*Sunset Kidd sailing is not a typical tourist resort sailing excursion. We treat our guests as family & friends, whom are looking for a true sailing (engine off) excursion. We are not a narrated harbor cruise that shoots pop-guns at hippopotamus's. Our sailing excursion relies on the sounds of nature (Water flowing past the hull, wind in the sails, chasing dolphins).*
